### **REASONS FOR ALLOWANCE**

The following is an examiner's statement of reasons for allowance: With regards to claims 1-4, the prior art of record does not disclose or fairly teach a first driver circuit driving said first internal node to said first power supply potential in accordance with an output of said first inverting circuit, and said first driver circuit has a drivability variable in response to a second control signal. With regards to claims 5-8, the prior art of record does not disclose or fairly teach a second connection circuit provided in series with said first fuse element between said first internal node and said second power supply node, and having a resistance value in a conductive state, variable in a plurality of steps in accordance with a second control signal. With regards to claims 9 and 10, the prior art of record does not disclose or fairly teach a pulse generating circuit varying a pulse width of said window pulse in accordance with a control signal.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Kimberly E. Glenn whose telephone number is (571)-272-1761. The examiner can normally be reached on Monday-Friday 7:30 to 4:00.
